Amazing Athletes offers franchisees the opportunity to provide developmental sports and physical fitness programs to children under the age of 12 with a primary focus on children aged 2 ½ to 6. The business is operated under the name “Amazing Athletes”. By signing a franchise agreement (FA), you will have the right to develop an “Exclusive Territory.”

If we grant you the right to develop an Exclusive Territory under the FA, the total investment necessary to begin operation of an Amazing Athletes Franchise Systems, Inc franchise is from \$48,550 to \$120,850. This includes up to approximately \$81,300 that must be paid to one of our affiliates or us.

This disclosure document summarizes certain provisions of your FA and other information in plain English. Read this disclosure document and all accompanying agreements carefully. You must receive this disclosure at least 14 calendar-days before you sign a binding agreement with, or make any payment to, the franchisor or an affiliate in connection with the proposed franchise sale. Note, however, that no governmental agency has verified the information contained in this document.

The terms of your contract will govern your franchise relationship. Don't rely on the disclosure document alone to understand your contract. Read your entire contract carefully. Show your contract and this disclosure document to an advisor, like a lawyer or an accountant.
