As a franchisee, you will operate a box lunch delivery and catering business under the name “Apple Spice®.”

The total investment necessary to begin operation of a single Apple Spice® territory with one kitchen facility is between \$293,095 and \$483,595. This includes \$82,900 that must be paid to the franchisor or affiliate for a Franchise Business with one Unit (facility and kitchen). In the event you purchase multiple contiguous territories as part of your Franchise Business, the total investment will increase by the amount of each additional territory you purchase.

You have the right to enter into an Area Developer Agreement to develop multiple Franchise Businesses.
