With this Franchise Disclosure Document (“Disclosure Document”), ATC At Home, Inc. is offering a franchise to use certain designated trademarks, proprietary products and services, sales and marketing techniques, and methods of operation. The franchise is to operate an “ATC At Home” Franchised Business that provides non-medical in-home care services, including companionship, meal preparation, light housekeeping, grocery shopping and other forms of incidental transportation, grooming and assistance with recreational activities, as well as personal care services related to core activities of daily living, such as eating, bathing, walking, and dressing.

The total investment necessary to begin operation of an ATC At Home franchise is \$75,000 to \$126,500. This includes between \$39,500 and \$43,000 that must be paid to the franchisor and/or its affiliate, as appropriate.

We also offer to qualified individuals and entities the opportunity to become our Development Agent within a specific geographical area. A Development Agent will act as our agent in a specific territory, solicit new franchisees, assist existing franchisees, and conduct inspections of franchises in the territory, among other things. A Development Agent must pay us an initial fee that will depend on the number of ATC At Home franchises to be developed. A Development Agent must also own and operate at least one ATC At Home business in the Development Area. We will pay a Development Agent a portion of certain fees collected from franchisees in its Development Area.
