The franchise is for the operation of a business under the "Beef Jerky Outlet" name which is a specialty retail food store that features an exceptional variety of jerky products, sausages and smoked meats, sauces, rubs, seasonings, marinades, jams, butters, jellies, peanuts, candies, cheeses, and other similar foods. Beef Jerky Outlet operates using our proprietary methods, techniques, trade dress, trademarks and logos.

The total investment necessary to begin operation of a Beef Jerky Outlet franchise is \$215,750 to \$394,900. This includes between \$60,850 to \$65,850 that must be paid to the franchisor and/or its affiliate, as appropriate

We may offer to qualified individuals and entities the opportunity to become a multi-unit operator to establish and operate a certain number of Stores at specific locations according to individual Franchise Agreements. If you become a Multi-Unit Operator, you will pay a development fee equal to 100% of the initial franchise fee for the first Store to be opened, plus a non-refundable deposit of 50% of the reduced initial franchise fee for each additional Store to be established under a Multi-Unit Operator Agreement. The total investment necessary will vary based on the number of Stores to be opened. Thus, your investment to open a franchise is the same as for single franchise operators, but your minimum initial franchise fee will increase by a \$14,950 franchise fee deposit for each additional Store you develop.

This disclosure document summarizes certain provisions of your franchise agreement and other information in plain English. Read this disclosure document and all accompanying agreements carefully.
