As a franchisee you will operate a fast casual restaurant offering grilled seafood dishes, Boneheads' proprietary Piri Piri Chicken entrees, other food items and beverages under the service mark "BONEHEADS®" (a "Restaurant").

The total investment necessary to begin operation of a Restaurant is \$334,000 to \$578,000. This includes \$35,000 that must be paid to the franchisor or its affiliate. If you sign a Development Agreement which commits you to develop more than one Restaurant, you must pay us a development fee equal to the sum of franchise fees due for each Restaurant that you commit to develop. The franchise fee due for Restaurants developed pursuant to a Development Agreement shall be \$35,000 for your first Restaurant, \$30,000 for your second Restaurant, \$25,000 for your third Restaurant, and \$15,000 for your fourth and each additional Restaurant. The development fee you pay will be credited against the initial franchise fee for that Restaurant, as long as you develop and open the Restaurant(s) according to your development schedule.
