## 2 The Source of Funds for Establishing New Franchises

Disclose the Franchisor's total costs for performing its pre-opening obligations to provide goods or services in connection with the establishing of each franchise, including real estate improvements, equipment, inventory, training, and other items stated in the offering State separately the sources of all required funds

Franchisor's pre-opening obligations consist of

(a) Providing training based on the following expenses (i) Five (5) days of training that will be provided by officers who do not expect compensation and (ii) overhead and food costs of \$200 per day for total of \$1,000, (b) it is not likely that there will much expense for assistance with site location because the franchisee is responsible for securing a location Franchisor may make a one day visit to the selected site for approval at an estimated cost of \$250-\$450, (c) web page provided to franchisee (the web page is already created and just needs customization which will be done in-house) estimated costs of \$200, (d) Franchisor will provide on-site pre-opening and/or grand opening assistance that may be up to five days at an estimated cost of \$800-\$2,100 (such assistance will be provided by officers who do not expect compensation) Costs depend on the number of days Franchisor will be at franchisee's location, and (e) other pre-opening

assistance, all of which will be provided by the officer(s) and consultants of the Franchisor at no cost

Franchisor's total pre-opening for each franchisee is approximately \$2,450-\$3,950, without any costs for the labor of the officers of Franchisor. The source of these above funds is from Franchisor's existing capital.
