The franchisee will be authorized to distribute food, beverages and other consumer items through one or more of the following distribution channels as determined by Canteen: vending services, food services, combined services, office coffee services and/or secured delivery services.

For a standard Canteen franchise agreement, the total investment necessary to begin operation of a Canteen franchise ranges from \$8,350 to \$41,000 if you are a conversion franchise with an existing vending business, and if you are a non-conversion franchise and do not already own a vending business, the total ranges from \$1,006,750 to \$1,568,000. This includes an amount ranging from \$3,250 to \$25,000 that must be paid to the franchisor or affiliate.

For a Canteen threshold agreement, the total investment necessary to begin operation of a Canteen franchise ranges from \$8,100 to \$19,000, and if you do not already own a vending business, then the total ranges from \$1,006,500 to \$1,546,000. This includes an amount of \$3,000 that must be paid to the franchisor or affiliate. A threshold agreement differs from a standard franchise agreement in that the threshold franchisee's right to service vending accounts having annual gross revenues of greater than \$25,000 is non-exclusive.
