This Disclosure Document describes the offer for the right to operate a retail convenience store and motor fuel business under the “Circle K” trade name and service marks and the Circle K business system (the “Franchised Business” or “Circle K Business”), which offers for sale Circle K-sourced motor fuel under the “Circle K” trade name and service marks and grocery items, consumer goods, food service items and other merchandise.

The total investment necessary to begin operations of a Circle K Business franchise is from \$2,134,250 - \$4,718,250 for a newly constructed Circle K Business and \$979,250 - \$3,461,250 if you are converting an existing convenience store and a gas station to a Circle K Business, which estimates assume that you will choose to operate an optional car wash as part of the Franchised Business. This includes \$46,000 to \$76,750 that must be paid to us or our affiliates whether you open a newly constructed Circle K Business or if you convert an existing convenience store/gas station to a Circle K Business. If you purchase an existing company-operated Circle K Business from us, the amount you will pay to us is difficult to estimate based on real estate costs as well as the ancillary businesses usually associated with a convenience store and varies depending on the purchase price we negotiate.
