The franchisee will own a consulting engineering service business which specializes in providing reports, inspections, consultation, investigation and litigation support services on the structural and mechanical aspects of residential, commercial and light industrial buildings to prospective purchasers, real estate brokers, litigants and others.

The total investment necessary to begin operation of a CRITERIUM ENGINEERS franchised business is \$66,175 to \$125,950. This includes a Franchise Fee ranging from \$49,500 to \$79,500 that must be paid to the franchisor or its affiliate(s). We also offer to select qualified persons the opportunity to acquire the exclusive right to develop multiple CRITERIUM ENGINEERS Franchises in a Designated Development Area. The total investment necessary to begin operation under the Area Development Agreement is approximately \$81,175 to \$150,950. This includes the Area Development fee of \$5,000.00 multiplied by the number of CRITERIUM ENGINEERS Franchises you establish in the Development Area. You must also pay the full amount of the then-current Franchise Fee for the first CRITERIUM ENGINEERS Franchise you open as well as for each subsequent Franchise opened under the Area Development Agreement. After your first CRITERIUM ENGINEERS Franchise is opened and operating, you will receive a credit of \$5,000.00 toward the payment of each subsequent Franchise Fee.

How to Use This Franchise Disclosure Document

Here are some questions you may be asking about buying a franchise and tips on how to find more information:

QUESTION	WHERE TO FIND INFORMATION
How much can I earn?	Item 19 may give you information about outlet sales, costs, profits or losses. You should also try to obtain this information from others, like current and former franchisees. You can find their names and contact information in Exhibits A & D.
How much will I need to invest?	Items 5 and 6 list fees you will be paying to the franchisor or at the franchisor's direction. Item 7 lists the initial investment to open. Item 8 describes the suppliers you must use.
Does the franchisor have the financial ability to provide support to my business?	Item 21 or Exhibit B includes financial statements. Review these statements carefully.
Is the franchise system stable, growing, or shrinking?	Item 20 summarizes the recent history of the number of company-owned and franchised outlets.
Will my business be the only Criterium Engineers business in my area?	Item 12 and the "territory" provisions in the franchise agreement describe whether the franchisor and other franchisees can compete with you.
Does the franchisor have a troubled legal history?	Items 3 and 4 tell you whether the franchisor or its management have been involved in material litigation or bankruptcy proceedings.
What's it like to be Criterium Engineers franchisee?	Item 20 or Exhibits A & D list current and former franchisees. You can contact them to ask about their experiences.
What else should I know?	These questions are only a few things you should look for. Review all 23 Items and all Exhibits in this disclosure document to better understand this franchise opportunity. See the table of contents.
