The franchise is to operate a restaurant under the “Donatos Pizza®” name that features fresh, high quality pizzas, sandwiches and other foods in a distinctive setting and offers delivery services.

The total investment necessary to begin operation of a Donatos franchised business is \$386,500 to \$698,900. This includes \$40,500 to \$42,500 that must be paid to the franchisor or its affiliate. If this is the second Donatos franchised business, you choose to receive additional training services or you hire a Donatos Manager for your franchised business, you must pay the franchisor an additional \$15,000 to \$40,000.

If you acquire the right to develop a number of Donatos franchised businesses under a Development Rights Agreement, the initial development fee is 100% of the initial franchise fee (\$30,000) for the first location, plus 50% of the initial franchise fee (\$15,000) for each additional location that you agree to open under the Development Rights Agreement.
