Famous Dave's of America, Inc. franchises authentic, down-home barbecue restaurants featuring genuine smoked barbecue. Famous Dave's® Restaurants operate under the name Famous Dave's®. Famous Dave's® Restaurants serve combinations of hickory-smoked spareribs, baby back ribs, beef brisket, herb-roasted chicken, barbecue sandwiches, char-grilled burgers, cornbread, potato salad, coleslaw, Wilbur™ beans, desserts, specialty cocktails, and other food and beverage items.

The total investment necessary to open a Famous Dave's® Restaurant ranges from \$481,750 to \$2,920,750 if you lease the premises for a Famous Dave's® Restaurant, and from \$881,750 to \$4,495,750 if you purchase the land and building for a Famous Dave's® Restaurant. This includes \$95,750 to \$145,750 that must be paid to the franchisor. If you sign an Area Development Agreement, the Development Fee paid to the franchisor is determined by the number of Famous Dave's® Restaurants that you agree to develop. We do not require a commitment of a minimum number of Restaurants to enter into an Area Development Agreement, and there is not currently a maximum number of Restaurants that we would permit a qualified area developer to develop under an Area Development Agreement.

## What You Need To Know About Franchising *Generally*

**Continuing responsibility to pay fees.** You may have to pay royalties and other fees even if you are losing money.

**Business model can change.** The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

**Supplier restrictions.** You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

**Operating restrictions.** The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

**Competition from franchisor.** Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

**Renewal.** Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

**When your franchise ends.** The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

### Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.
