FASTFRAME U S A , INC offers franchises for custom framing retail stores (“Outlets”) featuring fast, turn-around service and the sale of related items to the public using the trade names of “FASTFRAME”, and “FASTFRAME EXPERT PICTURE FRAMING ”

Currently, FASTFRAME offers ~~four~~three forms of agreement in this Franchise Disclosure Document

- 1 A Franchise Agreement, which allows you to open a ~~full service either~~ (1) a ‘Multi-Service’ custom framing Outlet which does no framing work on site, and one (that work being done by FASTFRAME), or (2) a full service custom framing Outlet with framing work done by you on site. In either case you may also open a Satellite location within your Territory (see paragraph 2), which is typically a limited service. The estimated total initial investment necessary to begin operation of a Multi-Service FASTFRAME Outlet ranges from \$64,500 to \$87,000, which relies upon the full service outlet to produce the frames, includes the \$36,500 in initial fees (see Item 5), that must be paid to the franchisor or its affiliate The estimated total initial investment necessary to begin operation of a ~~full service~~Full Service FASTFRAME Outlet ranges from \$116,045 to ~~\$160,545~~ This 160,545, which includes the \$64,800 (\$44,800 for an existing franchisee) in initial fees (see Item 5), that must be paid to the franchisor or its affiliate
  
- 2 A FASTFRAME Satellite Addendum, which you sign for each ~~limited service or full service~~ custom framing Satellite location in the same Territory as your existing FASTFRAME Outlet, including the conversion of an existing custom framing store to a FASTFRAME Outlet in your existing Territory Generally, Satellites will not perform framing services on-site, but we may approve a Full Service Satellite where your existing FASTFRAME Outlet is a Full Service FASTFRAME Outlet. We offer Satellite Addendums only to existing franchisees who meet certain operational and financial criteria The estimated total initial investment necessary to begin operation of a Satellite ranges from \$30,745 to \$51,245 This includes the \$10,000 in initial fees (see Item 5), that must be paid to the franchisor or its affiliate.
  
- 3 A Conversion Addendum is used if you are converting an independent frame store to a “FASTFRAME” Outlet Your estimated total initial investment necessary to convert an independent frame store to a “FASTFRAME” Outlet ranges from \$31,380 to \$95,545 This includes initial fees of \$27,300 (if your initial fee is deferred) to \$47,300 (if your initial franchise fee is paid on signing) (see Item 5), that must be paid to the franchisor or its affiliate.
  
- 4 ~~A Regional Development Agreement allows you to locate, qualify, train and act as our liaison with franchisees located in a specified geographic territory The estimated total initial investment necessary to begin operations as a Regional Developer ranges from \$28,600 to \$1,020,500 This includes the initial regional development fee that must be paid to the franchisor or affiliate which is \$12,500 multiplied by the number of FASTFRAME Outlets you or franchisees procured by you must open during the initial term of your Regional Development Agreement and typically ranges from \$25,000 to \$1,000,000 In addition, you must own and~~

~~operate at least one FASTFRAME Outlet to be a Regional Developer. The estimated total initial investment above does not include the cost to open a FASTFRAME Outlet.~~
