Most Franchised Stores operate from leased space. Some Franchised Stores may be established in connection with another chain or concept, which could include a sublease to or from that concept, under the Co-Branding Addendum attached as an Exhibit to the Franchise Agreement. We may offer an Express franchise, typically a reduced sized store or counter with limited production and storage or as a cart or kiosk, under the Express Addendum, attached as an Exhibit to the Franchise Agreement. A Retail Premises franchise, to be established within a supermarket store or other retailer premises, may be established under the Retail Premises Addendum attached as an Exhibit to the Franchise Agreement.

The Franchised Store is not subject to any industry-specific laws and regulations beyond those affecting restaurant businesses generally. See Exhibit G for a brief summary of these laws.

We believe the market for pizzas, calzones, salads, beverages and other Italian food products is developed. The Franchised Stores' products will be sold to the general public in competition with national and local quick-service food businesses and with other pizza and stores.

H Other Matters. In certain regions of the United States, we may contract with Master Franchisees to perform certain of our duties, including training and inspections.

Our agents for service of process are listed in Exhibit D.

This disclosure document contains a summary of some material provisions of the Franchise Agreement. However, these agreements express and govern the actual legal relationship between you and us. We are willing to negotiate the terms of these agreements with our shareholders and management employees, existing franchise owners, multiple franchise purchasers and their immediate family members.

The Franchise Agreement does not make you our agent, legal representative, joint venturer, partner, employee, or servant for any purpose. You will be an independent contractor and will not be authorized to make any contract, agreement, warranty or representation or to create any obligation, express or implied, for us.
