As a result of considerable expenditure of time, effort and money, Focus CFO Group, LLC (“Focus CFO”) has developed and owns a unique system of providing fractional Chief Financial Officer services (the “Focus CFO System” or “System”) which is operated under certain unique and publicly recognized trademarks, service marks, logos and other commercial symbols including without limitation, the mark “Focus CFO®” (“Focus CFO Marks” or “Marks”). The Focus CFO System includes a variety of proprietary and confidential business methods, techniques, formats, designs, specifications, standards and procedures prescribed by or approved by Focus CFO, all of which may be improved further, developed or otherwise modified from time to time by Focus CFO.

The franchise offered is not a traditional franchise model. We are providing this Disclosure Document to ensure you understand our franchise model and the business opportunity being offered by Focus CFO. Under the Focus CFO franchise model:

- Clients who are brought into the Focus CFO System enter into contracts with Focus CFO, the Franchisor, to ensure that its clients’ business practices and reputation are consistent with Focus CFO’s quality standards and the reputation of the Focus CFO Marks.
- Franchisees join Focus CFO as independent contractors as either a CFO, directly providing fractional Chief Financial Officer services (“CFO Services”) to Focus CFO clients, or as an Area President, working to generate new clients within our coordinated client development system and also with the opportunity to provide services either as a CFO to Focus CFO clients, on a limited basis, or to provide supplemental services, as outlined in Attachment F to the Franchise Agreement, to Focus CFO clients. Franchisees are paid based on fees generated from the CFO Services that CFOs perform for Focus CFO clients. The fees are allocated between the CFO, Area President and Focus CFO in accordance with the terms of the Franchise Agreement.

Upon execution of the franchise agreement by the Franchisor and the Franchisee and payment of the initial franchise fee, Focus CFO Group, LLC will grant a franchise and the non-exclusive right to join the Focus CFO System as either an Area President or CFO and use the Focus CFO Marks.

The initial investment necessary to begin operation as a Franchisee, either as an Area President or CFO, ranges from \$15,000 to \$45,000. This includes \$15,000 to \$25,000 that must be paid to Focus CFO.
