We grant franchises for the operation of a FranNet Business. FranNet Businesses offer specialized franchise consulting services to franchisors, potential franchisors, licensors and other business opportunity companies in connection with the sale (or re-sale) of their franchises, licenses and business opportunities.

The total investment necessary to begin operation of a FranNet Business ranges from \$43,160 to \$82,810 (total amount in Item 7). This includes between \$21,050.35 and \$41,050.35 (total amount in Item 5) that must be paid to the franchisor or its affiliate prior to opening for business.

This disclosure document summarizes certain provisions of your franchise agreement and other information in plain English. Read this disclosure document and all accompanying agreements carefully. You must receive this disclosure document at least 14 calendar days before you sign a binding agreement with, or make any payment to, the franchisor or an affiliate in connection with the proposed franchise sale. **Note, however, that no governmental agency has verified the information contained in this document.**

You may wish to receive your disclosure document in another format that is more convenient for you. To discuss the availability of disclosures in different formats, contact **Jania Bailey at 10302 Brookridge Village Blvd., Suite 201, Louisville, Kentucky 40291 (502) 753-2380.**

The terms of your contract will govern your franchise relationship. Don't rely on the disclosure document alone to understand your contract. Read all of your contract carefully. Show your contract and this disclosure document to an advisor, like a lawyer or an accountant.
