The minimum total investment necessary to begin operation as an Area Developer is from \$92,500 - \$130,000 (assuming a minimum of two restaurants being developed) outside the Continental U.S. [Alaska, Hawaii and U.S. Territories]). Outside the Continental U.S. [Alaska, Hawaii and U.S. Territories] the Initial Franchise Fee is \$35,000 USD per restaurant for the Green Leaf's Beyond Great Salads and/or Bananas Smoothies and Frozen Yogurt franchise. This total investment does not include your estimated initial investment for beginning operation of each franchised concept which cost are set out in the preceding paragraph. Estimated initial investment costs will vary for international transactions. The Area Development Agreement requires an upfront payment of one-half of the total Initial Investment Fee (based upon the number of restaurants being developed in the Continental U.S. or an international territory) and is due at the time of execution of the Deposit Agreement. The balance of the initial franchise fee for each franchised location required by the Area Development Agreement is paid upon execution of each franchise agreement pursuant to the agreed upon Development Schedule. The minimum number of franchised locations required by an Area Development Agreement is two locations. The maximum number of franchised locations required under the Area Development Agreement is negotiated and is dependent upon the territory requested.
