HealthSource Chiropractic clinics are business-to-consumer franchises with an easy operating system that provide “progressive rehabilitation,” by offering physical therapy and chiropractic services together as a comprehensive solution for pain relief, and other related services and products. We offer individual Clinic franchises for the right to develop and operate a single Clinic offering all of our franchised services and products in a designated area.

This includes the initial franchise fee of \$45,000 for the first franchise purchased, and \$21,000 for each additional franchise. The total investment necessary to begin operation of an existing chiropractic clinic converted to a HealthSource Chiropractic Clinic franchise ranges from **\$58,516 to \$266,327** for the first conversion Clinic, and from **\$49,516 to \$257,327** for each additional conversion Clinic. This includes the initial franchise fee of \$30,000 for the first conversion Clinic, and \$21,000 for each additional conversion Clinic.
