As a franchisee, you will operate a HOSS'S STEAK AND SEA HOUSE restaurant which features steak and seafood, extensive soup, salad and dessert bars, along with assorted side items and other food and beverage items.

We offer two franchise programs:

1. **A Single Franchised Restaurant.** The total investment necessary to begin operation of a single Hoss's Steak and Sea House franchise ranges from \$1,588,167 to \$2,297,467. This includes \$50,000 - \$55,000 that must be paid to the franchisor or affiliate.
2. **Multiple Franchised Restaurants.** The total investment necessary to begin operation of multiple Hoss's Steak and Sea House franchises ranges from at least \$1,588,167 to \$2,297,467 and depends on the number of additional franchised restaurants you agree to develop. This includes \$50,000 - \$55,000 that must be paid to the franchisor or affiliate. This does not include (i) a Development Fee equal to \$14,000 that must be paid to us for each additional franchised restaurant you agree to develop or (ii) an initial fee of \$14,000 that must be paid to us for each additional franchised restaurant.
