You will provide tutoring principally to school-aged children using the methods and trademarks that Huntington Learning Center® has developed over time. Through the end of your business's first calendar year of operation, services consist of tutoring in reading, phonics, study skills, mathematics, and related areas and tutoring in junior high school, high school, and college math and science subjects. Beginning with your business's second full calendar year of operation, you also will offer tutoring to prepare for state and standardized entrance examinations, principally the SAT and ACT, although you may offer it earlier.

The total investment necessary to begin operation of a Huntington Learning Center® business is between \$127,060 and \$268,940. This includes a total of between \$52,847 and \$57,047 you pay to us, consisting of \$28,000 for the initial franchise fee and between \$24,847 and \$29,047 for goods we provide to you. This year, our affiliate, Huntington Learning Corporation, intends to offer to sell some of its company-owned outlets to prospective franchisees for sales prices between \$0 and \$1,900,000. We will waive the initial franchise fee of \$28,000 for these sales.

If you sign a Development Agreement, you pay us a reduced Initial Franchise Fee of \$24,000 when you sign it for each Huntington Learning Center® business to be franchised under the Development Agreement. If you exercise your option under the Development Agreement, we credit the initial franchise fee you paid when you signed the Development Agreement to the initial franchise fee payable under the franchise agreement you execute under the Development Agreement.
