The franchise offered is for the operation of an iFixandRepair (IFAR) retail store for the maintenance and repair of smartphones, tablets, computers, and a variety of other devices and the sale of related gear and accessories. Each store/franchise will be opened and operated in accordance with our single store franchise agreement. There are two types of outlets: (1) a retail merchandising store and (2) a stand-alone kiosk. We also offer the right to develop multiple franchises under the Multiple Franchise Purchase Addendum.

The total investment necessary to begin operation of a single unit iFixandRepair retail merchandising store franchise is from \$83,200 to \$152,450. This includes \$41,000 to \$58,500 that must be paid to the franchisor or its affiliate(s). The total investment necessary to begin operation of a single unit iFixandRepair stand-alone kiosk franchise is from \$73,200 to \$129,950. This includes \$31,000 to \$36,000 that must be paid to the franchisor or its affiliate(s). If you purchase multiple franchises under the Multiple Franchise Purchase Addendum, then these initial investment totals will apply to each separate franchise you develop.
