The franchise described in this Disclosure Document is to operate a Launch Trampoline Park, which is an indoor sports and family entertainment facility featuring large interconnected trampolines that form a giant jumping surface, designated jump areas for kid's play and dodgeball, a foam pit, arcade area and café.

The total investment necessary to begin operation of a Launch Trampoline Park franchise is \$887,033 to \$1,438,000. This includes all fees that are to be paid to the Franchisor or its affiliate as part the franchise fee and setup fee.

We also offer a Multi- Unit Development Agreement for the development of multiple Launch Trampoline Parks. If you sign the Multi-Unit Development Agreement, you will pay a Reservation Fee equal to \$25,000 multiplied by the total number of Launch Trampoline Parks to be developed in your development territory. The estimated initial investment to operate as a multi-Unit Developer will vary depending on the number of Launch Trampoline Parks to be developed.
