LearningRx Franchise Corporation offers franchises to operate a business for providing learning enhancement, cognitive training (also referred to as brain training), math and reading training and courses using programs and products designed by LearningRx under the trade name LEARNINGRX TRAINING CENTER (“Center”).

The total investment necessary to begin operation of a LearningRx Franchise ranges from \$125,000 to \$175,000 including between \$58,000 to \$78,000 that must be paid to the franchisor or its affiliate.

If you sign an Area Development Agreement, you will pay us an Area Development Fee equal to 40% of our then-current Initial Franchise Fee and Initial Training and Materials Fee multiplied by the number of additional Centers granted pursuant to the Area Development Agreement, after your initial Center. You will be required to open a minimum of two Centers under an Area Development Agreement. The Development Franchise Fee for each additional Center granted pursuant to the Area Development Agreement is equal to 40% of our then-current Initial Franchise Fee and Initial Training and Materials Fee. The total investment necessary for any subsequent LearningRx franchises varies based on the total number of LearningRx locations you commit to develop. For example, the total investment necessary to enter into an Area Development Agreement for the right to develop two Centers is \$138,200 (Micro Franchise Centers) to \$193,000 (Standard Franchise Centers).
