RE: F-5893, Lenders Aid Franchise Services, Inc.

Dear Ms. Hagestad,

The Minnesota Addenda to the Disclosure Document has been amended to delete the language regarding the disclosure of the subsequent events notice. We hope that this is satisfactory to the state. California had required this language and that the subsequent events notice be disclosed in the Disclosure Document. They have been approved in California, so we are hoping to avoid the costs of an additional amendment for our client and/or comments from their home state which may jeopardize their effective status and at the same time satisfy the state of Minnesota so that they may offer franchises in that state as well.

I have attached redlined and clean copies of the above-mentioned changes. Please let us know if this is acceptable.

Sincerely,

Tina Marzocca

Your e-mailed correspondence of 3-19-2008 has been reviewed. Everything is OK except for the subsequent event letter. If that had been included in the audit, it would have been fine and able to be disclosed. As a separate letter it is not allowed to be disclosed. If we had requested such a letter to determine the franchisor's financial strength, we would review it but it would not be part of the disclosure to prospective franchisees.

Please amend accordingly. Thank you.
