The franchise described in this disclosure document is for the establishment and operation of a Little Caesars® restaurant, which features pizza, chicken wings, Crazy Bread® products and other related products. You may purchase a single franchise or you may sign a territory reservation agreement that allows you to reserve a territory for potential development of a specified number of franchises.

The total investment necessary to begin operation of a single Little Caesars® restaurant franchise ranges from \$393,000 to \$1,718,700. This includes \$268,000 to \$387,000 that must be paid to us or our affiliate.

The total investment necessary for a territory reservation agreement, assuming it allows for development of four restaurants, ranges from \$21,000 to \$25,000, which is in addition to the cost of each single franchise to be developed. This includes \$20,000 (generally \$5,000 per Restaurant franchise) that you must pay to us as a Territory Reservation Fee. The minimum number of restaurants required to be opened under a territory reservation agreement is one and the maximum is ten.
