The franchisee will operate a fast casual restaurant offering a menu specializing in the franchisor's signature fresh tossed salads, oven baked sandwiches, California style pizzas, made-from-scratch soups and homemade cakes under the names "Newk's," or "Newk's Eatery." A Newk's Restaurant operates using the franchisor's proprietary recipes, formulae, techniques, trade dress, trademarks and logos.

The total investment necessary to begin operation of a Newk's Restaurant franchise is \$932,000 to \$1,131,000. This includes a \$40,000 initial franchise fee that must be paid to the franchisor. We may offer to enter into an area development agreement to establish and operate a certain number of Newk's Restaurants at specific locations pursuant to individual franchise agreements. The area development fee, which will vary depending upon the number of franchised restaurants to be developed, will be equal to the total of \$40,000 for the first Newk's Restaurant plus \$20,000 for each additional Newk's Restaurant to be developed. The area development fee will be applied to the initial franchise fees for each applicable Newk's Restaurant. See Item 5.
