We offer and award qualified parties a franchise for the right to independently own and operate a business specializing primarily in providing a fun and engaging social setting where guests drink wine or other beverages while creating art or crafts using Painting With A Twist proprietary marks (the “Proprietary Marks”), branded products and other services and products that we approve and authorize from a particular location (a “Franchised Business”). Each Franchised Business is operated utilizing the Proprietary Marks and the system of business operations (the “System”) that we designate from time to time and license to our franchisees under our then-current form of franchise agreement (the “Franchise Agreement”).

The total investment necessary to begin operation of a single Franchised Business ranges from \$118,500.00 to \$252,500.00. This includes \$26,000.00 that must be paid to the franchisor or its affiliate.

The total investment necessary to operate multiple Franchised Businesses under our form of area development agreement (the “Development Agreement”) depends upon the number of franchises we grant you the right to open. Under the Development Agreement, the Development Fee is calculated as \$12,500 for each additional Franchised Business after your first Franchised Business that we will grant you the right to open and operate under the Development Agreement. For example, the total investment necessary to enter into an area development agreement for the right to develop three (3) Franchised Businesses is \$143,500 to \$277,500, which includes (1) an initial development fee of \$25,000 (“Development Fee”) that is paid to us, and (2) the total investment to open and commence operations of your initial Franchised Business.
