As a Häagen-Dazs® Shop franchisee you will operate an ice cream parlor serving dessert creations made with proprietary recipes featuring Häagen-Dazs® brand ice cream and frozen dessert products. The total investment necessary to begin operation of a Häagen-Dazs Shop franchised business is between \$164,518 and \$542,768 for new franchisees developing a traditional Häagen-Dazs Shop. This includes \$36,000 to \$40,000 that must be paid to the franchisor or its affiliate(s).

The total investment necessary to begin operation of a Häagen-Dazs Shop franchised business is between \$145,250 and \$526,579 for existing franchisees developing a traditional Häagen-Dazs Shop. This includes \$21,000 to \$25,000 that must be paid to the franchisor or its affiliate(s).

The total investment necessary to continue the operation of your existing Häagen-Dazs Shop franchised business under a successive term franchise or renewal agreement is between \$71,750 and \$371,579. This includes \$0 to 10,000 that must be paid to the franchisor.

The total investment necessary to begin operation of a Häagen-Dazs Hospitality Shop franchised business is between \$14,500 and \$273,689. This includes \$1,500 to \$5,000 that must be paid to an affiliate.

The total investment necessary to begin operation of a Häagen-Dazs Satellite franchised business is between \$131,250 and \$512,579. This includes \$7,000 to \$11,000 that must be paid to the franchisor or its affiliate(s).

The total investment necessary to begin operation under a Häagen-Dazs area development agreement would depend in part on terms negotiated including the number of Shops to be established; the franchisor does not anticipate granting an area development agreement for fewer than two Shops; and therefore the initial investment would, at a minimum, be as much as the low end of the initial investment for two Shops.
