As a franchisee, you will operate a Petland® retail pet store offering to the general public a variety of pets, pet supplies, and pet-related items.

The total investment necessary to begin operation of a new Petland® franchise is between \$283,000 and \$1,065,500. This total investment, for new franchises, includes amounts ranging from \$160,000 to \$702,500 that must be paid to us. The initial total development does not include Real Estate purchase or lease expenses or costs (except for a lease deposit). To develop more than one Petland® store, you must enter into an Area Development Agreement. Development fees for area development agreements are \$40,000 for the first store plus \$20,000 for each additional store you commit to open under your development schedule (these amounts will be credited against the payment of your initial franchise fees). By way of example, for a two-store area development agreement, the total investment is between \$61,500 to \$65,000, of which \$60,000 that must be paid to us.
