PILLAR TO POST, INC. (the "Franchisor") offers franchises, within a specified territory, for the operation of a home inspection business offering unique residential inspection services for single family and various multi-family residences.

We offer you the opportunity to purchase a home inspection franchise in an exclusive territory. The total investment necessary to begin operation of a Pillar To Post franchised business in an exclusive territory is from \$36,595 to \$72,395, which does not include rent for the business location. This includes an initial franchise fee paid to us. The initial franchise fee for an individual franchise in an exclusive Tier 1 territory is between \$35,900 and \$45,900. The initial franchise fee for an individual franchise in an exclusive Tier 2 territory is \$29,900. The initial franchise fee for an individual franchise in an exclusive Tier 3 territory is \$19,900. Exclusive territories are classified as Tier 1, Tier 2 or Tier 3 based on a combination of demographic factors that include housing units, housing re-sale activity, real estate offices, and population. We also offer home inspection franchises in non-exclusive territories under a separate disclosure document.
