As a franchisee, you will operate a studio offering customers artistic classes, including painting classes, with the opportunity to enjoy food, wine or other beverages under the name "Pinot's Palette."

The total investment necessary to begin operation of a Pinot's Palette franchised business is from \$76,600 to \$196,600. This includes approximately \$38,900 to \$50,100 that must be paid the franchisor or its affiliate(s). The total investment necessary to begin operation of a mobile Pinot's Palette studio in connection with a Pinot's Palette franchised business is from \$16,000 to \$36,000. This includes \$7,000 to \$11,000 that must be paid the franchisor or its affiliate(s).

We may offer to enter into an area development agreement to establish and operate a certain number of Pinot's Palette franchises at specific locations pursuant to individual franchise agreements. The area development fee will be equal to \$13,750 multiplied by the number of Pinot's Palette franchises to be developed under the area development agreement. The area development fee will then be credited, in increments of \$13,750, toward the franchise fee owed for each Pinot's Palette franchise developed. Your estimated initial investment will vary based on the number of studios to be developed. For each Pinot's Palette franchise developed under an area development agreement the cost is from \$76,600 to \$196,600. This includes approximately \$38,900 to \$50,100 that must be paid the franchisor or its affiliate(s).
