POOLWERX FRANCHISE MANAGEMENT LLC (“**Poolwerx**”) offers franchises for the operation of a franchise business that offers pool maintenance services, pool cleaning, installation and remodel services and retail pool supplies and services under the POOLWERX mark (“**Franchise**”). A Franchise might consist of one or more service vehicles (“**Mobile Unit**”) or a retail store with one or more Mobile Units (“**Retail Hub**”) or both. Typically, a prospect will first operate a Mobile Unit and it is expected that later the prospect will seek permission to open a Retail Hub and/or additional Mobile Units. Poolwerx may also grant franchises to independent pool stores that will immediately convert to the POOLWERX brand. In some areas, Poolwerx might only grant franchises to operate Mobile Units. Poolwerx may also offer you the right to acquire and operate one or more existing Mobile Units from us or our affiliates (each a “**Refranchised Business**”). The total investment necessary to begin operation of a Poolwerx Mobile Unit ranges from \$93,000 to \$160,000, the total investment necessary to begin operation of a Retail Hub ranges from \$172,000 to \$309,500, the total investment necessary to begin operation of a Mobile Unit Refranchised Business ranges from \$103,000 to \$439,000. This includes \$35,000 that must be paid to Poolwerx as an initial franchise fee for the exclusive marketing rights to a specified area in which the Franchisee will have rights to open Retail Hubs and Mobile Units. Of this \$35,000, between \$5,000 and \$10,000 must be paid to Poolwerx as soon as permitted by applicable law, as a good faith deposit (the “Deposit”), according to the terms set forth in the Deposit Agreement, attached hereto as **Exhibit K**. The Deposit will be applied toward your Initial Franchise Fee if you purchase a Poolwerx Franchise. If you elect not to purchase a Poolwerx Franchise, the Deposit will be refundable minus our costs (if any) associated with the transaction. The total investment for a Refranchised Business also includes the asset purchase costs as to a Refranchised Business.
