The franchise offered is for the operation of a granite and stone recycling business that re-purposes granite and stone remnants by turning them into different size products and selling them to architects, builders, contractors and homeowners for construction and remodeling projects. This is a “green” environmentally-friendly business that eliminates landfill waste, saves energy, makes products using proprietary equipment and creates jobs, under the name “Recycled Granite™”. The Initial Franchise Fee is \$25,000 to complement an existing business with a Recycled Granite™ business (Model A, B, or C) with protected rights to operate in a specific area as defined by us. Additional franchises may be available for those franchisees who have bought at least one franchise, at a reduced fee of \$15,000 per Franchise. The total investment necessary to begin operation of a Recycled Granite™ franchise ranges from \$35,000 to \$49,275 for a Model A, from \$60,700 to \$83,775 for a Model B, and from \$102,700 to \$130,775 for a Model C, which will depend on a number of factors which are further discussed in Item 7. These figures include the Initial Franchise Fee of \$25,000 for any Model (A, B, or C) (as discussed in Item 5) that must be paid to the Franchisor or its affiliate.
