We franchise quick-service restaurants that offer freshly tossed salads, panini grilled sandwiches, baked potatoes, soups and beverages and other food items and ancillary related products for take-out and on premises consumption under the trade name "SALAD FARM." The total investment necessary to begin operations of a SALAD FARM Restaurant ranges from \$270,500 to \$550,500 for a new SALAD FARM Restaurant and from \$310,000 to \$1,132,500 for an existing SALAD FARM Restaurant. These amounts include an Initial Franchise Fee of \$25,000 that must be paid to the franchisor.

We also grant development rights which enable you to open a specified number of SALAD FARM Restaurants within a specified exclusive area under individual Franchise Agreements. The Initial Development Fee is \$10,000 for each SALAD FARM Restaurant to be established, which will be credited towards the Initial Franchise Fee for each individual Restaurant in the development schedule. The total investment necessary would depend upon the number of SALAD FARM Restaurants on the development schedule.
