2. Source of Funds for Establishing Franchisees

Franchisor estimates that its direct costs are approximately \$56,025.00 to \$72,900 in connection with the sale of a SERVPRO franchise as follows:

1. Training - \$9,400.00
2. Sales Commissions - \$625.00 - \$17,500.00
3. Equipment - \$42,000.00

The initial down payment of the franchise price helps to offset much of these initial direct costs. Initial franchise fees, Servpro's retained earnings and operating funds are more than sufficient to pay these initial costs. Please see the Servpro Industries, Inc. financials, which are very strong.
