KID'S SALON

We offer franchises for the operation of an upscale children's hair salon. We also offer multi-unit development rights to develop and operate multiple hair salons within a specific development area under individual franchise agreements.

The total investment necessary to begin operation of a Sit Still franchise is \$179,500 to \$378,100. This includes \$20,000 to \$42,500 that must be paid to us or our affiliates.

There are no incremental initial investment costs initially if you become a multi-unit developer, but you will pay us a development fee equal to 100% of the initial franchise fee for each franchise you commit to open under the multi-unit development agreement. We credit the paid development fee against the initial franchise fee due when you sign each franchise agreement. The initial franchise fee is reduced from \$42,500 to \$20,000 for each unit developed after the second unit.
