JFE Franchising, Inc ("JFE Franchising") grants franchises for its franchisees to operate sushi bars under the trade name "JFE" as separate departments in supermarkets, grocery stores, and other facilities that are owned by third parties. The total investment necessary to begin operation of a new JFE franchise is \$23,356 to \$161,675. This includes \$5,788 to \$67,020 that must be paid to the franchisor or affiliate. If you purchase an existing location, the total investment necessary to begin operation of a JFE franchise is \$28,808 to \$324,695, which includes \$14,258 to \$240,695 that must be paid to the franchisor or affiliate. If you are an existing franchisee and you are granted the right to prepare pre-packaged sushi products from your existing location to be sold on a self-service type station satellite location, the total investment necessary to begin operation of a satellite location is \$5,068 to \$24,255. This includes \$1,368 to \$13,255 that must be paid to the franchisor or affiliate.

If you already operate a JFE sushi bar pursuant to a contract with our affiliate JFE, Inc and you elect to sign our franchise agreement, you will not pay an initial franchise fee or an initial training fee. The total investment necessary for a contracted-operator to convert and begin operation of a JFE franchise is \$6,000 to \$20,500, which includes \$3,000 to \$10,500 that must be paid to the franchisor or affiliate. Of the total amount, we estimate at that \$3,000 to \$10,000 may be needed for ongoing operating capital.
