We grant single-unit Stretch U franchises that will license directly from us the right to operate a business under the name "Stretch U". Stretch U franchises specialize in providing non-medical cutting edge techniques in stretching that assist individuals in healing, sports performance, prevention of chronic disease and injury, and relaxation, and other related products and services ("Stretch U Franchise operation(s)" or "Franchise operation(s)"). We also offer a modified facility ("Modified Unit") which can be co-branded with barber and beauty salons, spas and other personal grooming businesses. The modified Stretch U unit, shall be operated in conjunction with an existing business operation as previously described heretofore. We also grant Stretch U regional developer franchises ("Regional Developer Franchise(s)") that recruit prospective Franchise operations in designated development areas, provide certain sales and support services to Franchise operations located in the development areas, and must establish and operate at least one Franchise operation as a Pilot Franchise in their development areas.

The total investment necessary to begin operation of a Franchise operation business ranges from \$50,150 to \$150,500. This includes \$29,000 for the first Franchise operation (\$10,000 for each additional Franchise operation) that must be paid to the franchisor or its affiliates.

The total investment necessary to begin operations of a modified unit ranges from \$21,350 to \$51,000. This includes \$15,000 for the first Modified Unit Franchise and \$7,000 for each additional Modified Unit Franchise that must be paid to the franchisor or its affiliates.

The total investment necessary to begin operation of a Regional Developer Franchise ranges from \$120,150 to \$455,137. This includes between \$92,000 and \$289,637 that must be paid to the franchisor or its affiliates. The initial franchise fee of \$29,000 for a Franchise operation is included in the initial development fee paid by the Regional Developer to operate its Pilot Franchise.
