Franchised Business: The Boiling Crab restaurants are casual dining restaurants modeled after a traditional Louisiana seafood boil featuring seafood and fish entrees prepared Cajun-style with different proprietary finishing sauces and complementary side dishes, beer and wine and fountain drinks. We offer area development rights and single unit franchises for the right to open and operate one or more The Boiling Crab restaurants.

Total Initial Investment: The total investment necessary to begin operating one The Boiling Crab restaurant is \$941,000 to \$1,335,500. This includes the Initial Franchise Fee of \$39,500 and payments to us or our affiliate before opening for a start-up inventory of our proprietary sauce and spice mix.

The total investment necessary to begin operation as an area developer depends on the number of The Boiling Crab restaurants in the development commitment. You must pay us a Development Fee equal to \$39,500 for the first restaurant and \$30,000 for each additional restaurant in your Development Quota when you sign the Area Development Agreement. We credit a portion of the Development Fee in specific increments to the Initial Franchise Fee payable for each The Boiling Crab restaurant in your development commitment, as we explain in Item 5 of this Disclosure Document.
