**Franchise Business:** We offer franchises for the operation of a "Tom N Toms" Coffeehouse ("Coffeehouse") featuring premium coffee products and complementary food and beverages

**Total Initial Investment** The total investment necessary to begin operation of Coffeehouse is \$341,400 to \$451,300. This includes \$20,000 that must be paid to the franchisor as a franchise fee, and the initial inventory purchase requirement of about \$12,900-\$23,000 paid to us or our affiliate. In the case of an area developer, the development fee to be paid to the Franchisor is equal to \$20,000 for the first Coffeehouse plus \$10,000 for each additional Coffeehouse to be developed under the area development agreement. The development fee is applied pro rata to the initial franchise fees due for each Coffeehouse to be developed after the first. Your estimated initial investment will vary based on the number of Coffeehouse to be developed within the area specified in the area development agreement, under which you will have exclusive right to develop an agreed number of Coffeehouses within a specific time period.
