Trusted Homecare Services
A Homecare Company You Can Trust

The Franchise Business you will own and operate is a home health care company that secures healthcare-related contracts for registered nurses, licensed practical nurses, certified nursing assistants, home health aides, companions, and/or homemakers ("Caregivers"), who are compensated as independent contractors by fees paid by the Client, along with contracts for the provision of services to Clients in need of such services and home delivery of prescription medication. These services are paid by the Client to us by private pay, insurance or Medicaid but not Medicare. The business operates under the trade name "Trusted Homecare ServicesSM" (the "Principal Trademark"). THCS is licensed by the Florida Agency for Health Care Administration ("AHCA") as a "Nurse Registry."

The total investment necessary to begin operation of a Trusted Homecare Services Franchise ranges from \$79,150 to \$217,000. This includes \$35,000 that must be paid to us or our affiliate.

We also offer to certain qualified persons rights to develop a specified number of Trusted Homecare Services Franchises (the "Franchise Businesses") within a Development Area under a Trusted Homecare Services Area Development Agreement. You must pay us a Development Fee equal to \$5,000 times the number of Franchise Businesses you agree to develop (other than for the first Franchise Business that you must purchase at the same time you purchase Area Development Rights). We will credit \$5,000 of the Development Fee against the Initial Franchise Fee for each additional Franchise Business you develop.
