The Franchise Business you will own and operate is a business offering electronic cigarettes, e-liquids, nicotine, vaporizers, accessories and other related items, under the VaporFi name, service mark and System.

The total initial investment required ranges from \$137,200 to \$287,700. This includes \$70,900 to \$88,900 that must be paid to us or our affiliate.

We also offer to certain qualified persons rights to develop a specified number of VaporFi Franchises (the "Franchise Businesses") within a Development Area under a VaporFi Area Development Agreement. You must pay us a Development Fee equal to \$14,950 times the number of Franchise Businesses you agree to develop (other than for the first Franchise Business that you must purchase at the same time you purchase Area Development Rights). We will credit \$14,950 of the Development Fee against the Initial Franchise Fee for each additional Franchise Business you develop.
