The franchisee will operate a twenty-four [24] hour fitness and health club facility offering instruction to the general public on health and fitness through a system designed by us. The total investment necessary to begin operation of a Workout Anytime franchised business is from \$259,900 to \$431,500. This includes an initial franchise fee of \$25,000 that must be paid to the franchisor or its affiliates. These sums do not include any real estate costs.

This Disclosure Document summarizes certain provisions of your Franchise Agreement and other information in plain English. Read this Disclosure Document and all accompanying agreements carefully. You must receive this Disclosure Document at least fourteen [14] calendar days before you sign a binding agreement with, or make any payment to, the franchisor or an affiliate in connection with the proposed sale. Note, however, that no governmental agency has verified the information contained in this document.

You may wish to receive your Franchise Disclosure Document in another format that is more convenient for you. To discuss the availability of disclosures in different formats, please contact Randy Trotter at 4514 Chamblee Dunwoody Road, Suite 428, Dunwoody, Georgia, 30338, and (770) 403-7203.

The terms of your contract will govern your franchise relationship. Read your entire contract carefully. Don't rely on the Disclosure Document alone to understand your contract. Show your contract and this Disclosure Document to an advisor, such as a lawyer or accountant.

Buying a franchise is a complex investment. The information in this Disclosure Document can help you better make up your mind. More information on franchising, such as "A Consumer's Guide to Buying a Franchise", which can help you understand how to use this Disclosure Document, and is available from the Federal Trade Commission .
